From our trainees to our partners, our culture of support and progression means we grow together as one firm to best help our clients.

We are a top 30 UK accountancy firm, a leading member of MSI Global Alliance, and advisers to some of the UK's most exciting businesses and charities. Our team of over 500 people all work together in our modern offices located in London and Cape Town.

The role and responsibilities

You are our future; so we want to give you the best opportunity to partner with us and grow!

Operating as our clients' outsourced finance teams, we deliver their accounting requirements, ensure they are compliant and enable them to look ahead, pivot and seize opportunities by providing compliance and advisory services. Support businesses by providing valuable financial insights and delivering all of their finance function requirements. Whilst training for your internationally recognised qualification, you will learn bookkeeping, how to prepare monthly and quarterly management accounts and VAT returns, and annual financial statements for a variety of clients across different sectors.

Your progression will see you develop your own relationships with clients, training on advanced reporting and business and sector developments and coaching on interpreting these to spot clients' challenges and helping them to respond. You will be part of a dynamic team working in a fast-paced environment which will allow you to develop multiple skills ranging from attention to detail, effective communication to time management

Over the course of your 3.5-year training contract, you will have access to personal development programmes and high-quality training whilst working towards your internationally recognised ACCA professional qualification, alongside mentoring and support from peers and leaders alike.

You will be assigned a line manager and a buddy from day one to support your career and development, and help you transition into the world of work.

We host events so you can socialise with your colleagues outside of work, and network with other people at haysmacintyre. From our Summer sports day party to events organised by our Connect committee such as cycling at the velodrome, puppy yoga and pottery painting, we pride ourselves on making time for one another.

We give you the opportunity to support local communities through our Corporate Social Responsibility (“CSR”) programme. We highly value supporting local causes, and we welcome and encourage our staff to participate in charity events and fundraising they are interested in.

As a firm, we are committed to environmental and sustainability initiatives. We demonstrate this commitment through several schemes, such as implementing energy-efficient practices and technologies throughout our operations. We also encourage everyone to play their part in the office, promoting recycling, reusing materials and reducing the amount of paper used in day-to-day operations.

We are looking for candidates who want to kickstart their career in Business Support by being exposed to a wide range of UK and international clients. Our firm values are very important to us, and we are seeking candidates who equally value these. You will be motivated by having hands on experience working with clients, as well as collaborating with Seniors, Managers, Directors and Partners across the firm.
